

The background image shows a modern building with large glass windows and a courtyard area. In the foreground, there is a paved walkway and a large, dark, abstract sculpture. To the right of the sculpture, the word 'SMALS' is written in large, 3D, metallic letters on a dark base. The text is overlaid on the image in white.

Le Dark web: menace ou opportunité pour le secteur public ?

Cocaine prices are crashing in almost all of Europe!

by [/u/DrugMahal](#) • 4 weeks ago in [/d/coke](#)

Despite the multiple big European busts in cocaine trafficking world, with latest two famous seizures in Portugal [a submarine with 1.6 tonnes] and France [Dunkirk port 10 Tonnes].

In cities like Rotterdam and Antwerp a kilogram of cocaine is selling less than 18000 Euro and registered a price of 15000 Euro in some cases.
